Experience

Business: In my freshman year Me and a few peers created our first business. Our product was a portable fitness bag that you could take on the go. I was the CEO and CFO of the group. We were able to pitch our ideas to a group of professionals and secure a loan of \$143.70. After the first showcase we were almost able to break even because we made \$120.

Education

I will be an incoming freshman at McClymonds High School
GPA: 4.13
